DOMNIC LLANOS

ASPIRING FRONTEND DEVELOPER

llanosdomnic1@gmail.com | domnicportfolio.vercel.app

PROFILE

Second-year BS Information Technology student with an interest in frontend and web development. Building practical skills through a personal portfolio website and ongoing learning. Familiar with frontend technologies, web tools, databases, and design software. Also experienced in online customer service and order coordination, including responding to customer inquiries and maintaining order information.

TECHNICAL SKILLS

Frontend	HTML5, CSS3, JavaScript, React
Backend & Databases	PHP, MySQL, PostgreSQL
Version Control & Deployment	Git, GitHub, Vercel, XAMPP
Design & Productivity	Figma, Adobe Photoshop, Google Workspace

PROJECT

Personal Portfolio Website

Created and deployed a personal portfolio website to showcase background, technical skills, and experience. The website highlights an interest in web development and ongoing learning as an IT student. View live website.

WORK EXPERIENCE

Online Customer Service & Order Management

Online sales support

- Managed customer messages across four Facebook business pages and responded to product inquiries.
- Recorded customer and order details in Google Workspace documents to help keep order information organized.
- Shared product promotions and checked order and delivery information to help customers follow their purchases.

EDUCATION

Bachelor of Science in Information Technology (BSIT)

College Student — 2nd Year
